CALL FOR SPEAKERS

ADVANCED DENTISTRY CONGRESS

The **Advanced Dentistry Congress** is leading event on the transformation of the dental sector at the present moment guided by the innovation thanks to:

- Its evolution process towards a more advanced model
- The inclusion of technologies and digitization
- Sustainable dentistry • The design in each of its elements

Organized near to Barcelona Dental Show, the **Advanced Dentistry Congress** gathers all the innovation from the dental industry that we can apply at our businesses.

The **ADVANCED DENTISTRY CONGRESS** is the platform where to share and discover all those innovation. The Advanced Dentistry Congress is the place to present, analyze, discuss, visualize and go into the changes that are impacting “the way that we use to do things” in this sector, which will be completely reconverted in the next years. And we can only do this by knowing and experiencing the latest trends in each of the areas in which the dentist profession develops.

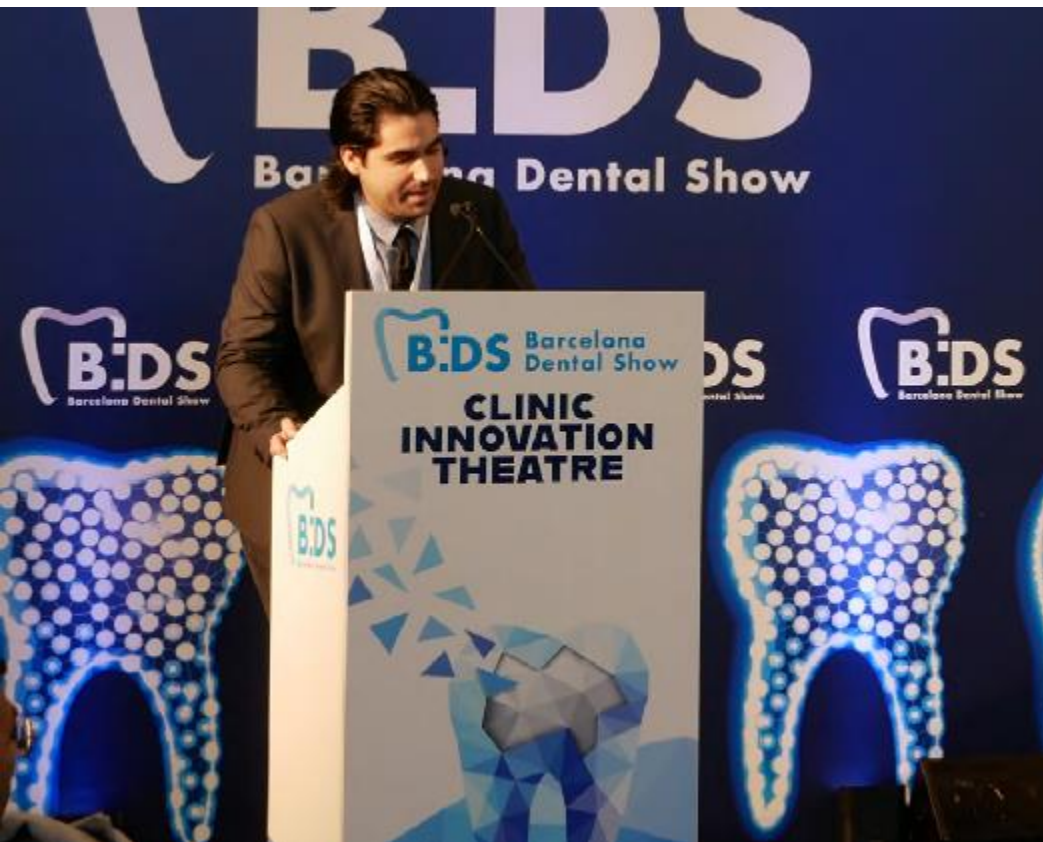

WHO CAN PARTICIPATE?

From **Barcelona Dental Show** we would like to invite Researchers, Technology Centers, manufacturers, dentists, hygienists, prosthetists, postgraduates, academics and professionals from the field of business management and business transformation to be part of the **Advanced Dentistry Congress**

This **Call for Speakers** is addressed to two different types of professionals who until now were separated and disconnected and who from now on must work together. On the one hand, technicians, academics, or researchers and, on the other, experts, professionals and entrepreneurs in the dental sector.

We search within the field of advanced dentistry, those practices, experiences, success stories, projects, innovations and materials or solutions that are currently impacting the dental industry.

Those investigations, case studies and future trends around the disruptive change that the irruption of the digital age in the dental field entails and that will lead us to shape the future of our profession may submit their candidacy.
